

## The Soulquarians Page Notes

Look - early 2000s fan page, not sleek, maybe even pixelated

Color scheme- warm colors, orange gradient

Page set up - background and header remain static, pages are engaged in a pause/play button style which changes content

Home page - picture from Vibe mag and brief intro

History - text interspersed with photos

Members- grid system, one per row or several, just name and picture

Music - similar set up to members, Spotify links with brief bios on albums

Figma link -

Possible music link - now playing at the bottom, shuffling playlist of all songs from every Soulquarian album

-desktop scale, early websites didn't scale

-all copy can be found on Wikipedia

-good images on Pinterest

Title font - Shuriken Boy, body copy in sans serif (Helvetica?)
